KICK OFF 2PM

Welcome to the 5th annual Rhys Wood Memorial Match here at East Grinstead Town Football Club.

Rhys was an incredibly loved father, son, brother, partner, cousin and friend. We are sure that most of not all of the people in attendance today will have extremely fond memories of Rhys and the impact he had on their lives.

This is the fifth annual football match between all of Rhys' friends and family, and this year it will be bigger and better.

We are delighted to see you here to help us celebrate Rhys' life, to remember Rhys and the game he loved.

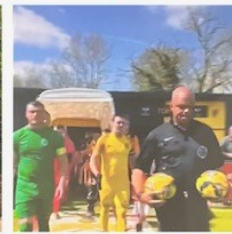

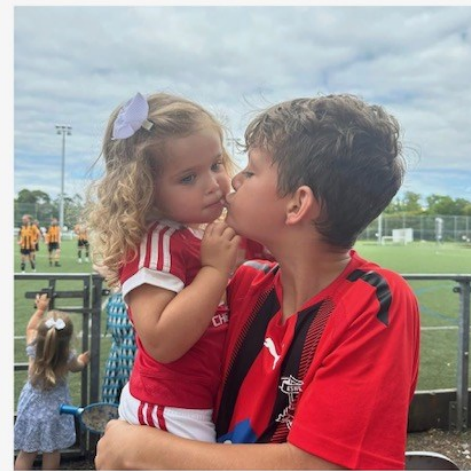

Over the years we have raised approximately £18,000 for various charities. This year the family have asked that any funds raised go to **HELP FOR HEROES**.

If you can donate anything, large or small, whether that be your admission money, or a donation, or by the purchase of raffle tickets or by bidding on our amazing auction items, the family would be hugely grateful. You can donate here:
